## DESCRIPTION

Wergs Hall Gardens is a unique proposition and one that is ideal for multi generational family occupancy. It is the first time that the property has been offered for sale in almost half of a century. There is a well proportioned, landmark Victorian house which provides generous accommodation over two floors. The property requires a comprehensive scheme of modernisation in order to realise its full potential and there is ample scope to remodel and extend the property according to individual buyers own requirements.

There is an adjoined cottage together with a larger range of outbuilding which has much potential for a variety of different uses.

Additionally, there is planning permission for conversion of further building to provide substantial and independent single storey barn style house

## ACCOMMODATION

The original Victorian property benefits from fine accommodation over two floors which in brief comprises to the ground floor: Hallway, Sitting Room, Lounge, Dining Kitchen, Cloakroom and Laundry together with Three Bedrooms and a Bathroom to the upper storey.

The adjoined cottage comprises entrance lobby, reception room, kitchen, bedroom, cloakroom and conservatory.

There is a large range of attached single storey outbuilding which could be converted to provide further annex accommodation, home office, leisure rooms or gym with buyers having the opportunity to decide how best these buildings could suit.

In addition there is a further range of outbuildings which now have permission to be converted to provide a contemporary single storey residence. The proposed plans provide for a large Living Room, Dining Kitchen, Two Bedrooms, a Shower Room, a Cloakroom and a Utility area. Buyers could revisit this provision should they so wish (SSTP)

## OUTSIDE

The entire property stands in grounds of a little under one acre in total, all of which are broadly levelled and much matured. The proposed is for the Victorian house itself to stand in a plot of approximately half an acre but, clearly, should the property be sold as one lot then the ultimate buyer could decide where the boundary is split.

## PLANNING PERMISSION

Planning Permission has been granted by South Staffordshire Council for the “demolition of three NO.outbuildings. conversion of existing barns to allow erection of new link to create a new dwelling”.
