58 Perton Road, Wightwick, Wolverhampton, WV6 8DJ

A fine family home with ample scope to substantially extend to both ground and first floors (STPP), standing in a particularly large plot of just over 0.25 acres in total in a particularly prestigious Wightwick address with a beautiful rear garden with a mature green backdrop. The property was originally a four bedroom house. The current sellers have combined two of the bedrooms to create a superb main bedroom, but the original configuration could easily be restored.

Perton Road is one of the most sought after roads within the affluent suburb of Wightwick which is, in itself, one of the most favoured parts of Wolverhampton.
