Locally there are a number of good pubs and eateries, with near-by public transport services. This semi rural location provides instant access to an abundance of beautiful countryside walks and there is an excellent choice of golf, tennis and cricket clubs.

ACCOMMODATION

On entering, a front door opens into the entrance hallway, featuring a tiled floor with cloaks storage. From here, a door leads to a home office with a window overlooking the rear elevation — ideal for remote work or study. A further door opens into the main inner hallway, where a turning staircase rises to the first floor. This area also provides access to a convenient ground floor cloakroom/WC. The open plan dining kitchen is well-appointed with matching base and wall units, complemented by worktops and a breakfast bar. A stainless steel sink unit sits beneath a window with an outlook of the rear garden. There is space and provision for appliances, and the tiled floor continues throughout the kitchen into the dining area. Leading off the dining area is a pleasant conservatory with a further door providing outdoor access to the garden. A useful utility room offers additional storage and houses the oil-fired central heating system, along with further space for appliances. A rear door opens to the enclosed courtyard. The spacious living room benefits from dual-aspect windows, an open fireplace, and French doors that lead out to the rear garden, making it a perfect space for relaxing or entertaining.

Upstairs, a large landing provides access to the loft and an airing cupboard. The principal bedroom suite enjoys dual-aspect windows and a modern ensuite shower room, featuring a WC, a wash hand basin set in a vanity unit, and a tiled shower cubicle. There are three additional double bedrooms, one of which includes mirrored fitted wardrobes. The family bathroom is fully tiled and comprises a white suite, including a WC, a wash hand basin set in a vanity unit, a P-shaped bath with shower over, and a heated towel rail.

OUTSIDE

To the front of the property, a tarmac driveway offers off-road parking and is bordered by gravel and mature hedging, leading to an attached double garage which has power connected along with access to a boarded loft space.

The rear garden is fully enclosed by fencing and features a lawn, a patio terrace, and a further paved pathway extending down the side of the property. This leads to a private, landscaped garden area, with an additional lawn, a dedicated seating area, and a charming summer house.
