A freehold single storey residence providing fine accommodation which forms part of a retirement development which stands close to the heart of Tettenhall Village.

LOCATION

The Beeches is a purpose-built retirement development and is one of the finest type within the Wolverhampton conurbation. The wide-ranging local amenities provided by Tettenhall Village centre are nearby, together with the picturesque open spaces of the Upper Green and there is easy traveling to the City Centre itself.

DESCRIPTION

42 The Beeches is a single storey semi-detached property which benefits from step free access and well-proportioned accommodation. The bungalow provides a kitchen, lounge and two bedrooms. There is electric night storage heating and double glazing. The property has been well looked after by the current owner, but would now benefit from a gentle scheme of refurbishment which is reflected in the price.

There is a management company which is responsible for all external maintenance including the maintenance of the grounds. In case of emergency there is a fully maintained alarm system which connects the property to a central control which is managed 24 hours a day. The grounds are illuminated at night for security and safety and because this is a retirement development there is a requirement that the purchaser should be over 55 years of age.
