Accessed from Cliff Road, this delightful cottage blends period charm with contemporary living. The dining hall features a tiled floor, traditional sash window to the front elevation, and a beautiful brick fireplace housing a wood-burning stove. A staircase rises to the first floor where the bedrooms are located.

From the dining hall, a door leads into the lounge area, with exposed beams and a second central log-burning stove. This generous living space is partially open to the light-filled breakfast kitchen, designed with both style and function in mind.

The second bedroom overlooks the front of the property and is well-proportioned, ideal as a guest room or home office. Completing this floor is a generously sized contemporary shower room, beautifully appointed with a walk-in shower, wash hand basin, and WC—all finished to a high standard.
