PLANNING PERMISSION

Planning permission has been granted for "2 storey side and single storey rear extensions

Planning Permission Application number: 15/00481/FUL

Date of Decision: 16th May 2016

The single storey rear extension was completed by the current owners in 2016 and the side extension was carried out in 2021, during this time the footings were put in place for a double storey side extension, so there is possibility to build the second storey extension without further planning permission, this would create a fourth bedroom and ensuite bathroom.
