LOCATION

Claverley is an idyllic village nestled within unspoilt Shropshire countryside, close to the Shropshire/Staffordshire border. It boasts a thriving community, with a highly regarded primary school and well supported church with nearby traditional public houses within walking distance. Everyday amenities can be found in the nearby villages of Pattingham and Wombourne, while more extensive facilities are available in the historic riverside market town of Bridgnorth, Wolverhampton city centre, and Telford; all within easy reach.

ACCOMMODATION

Having undergone an extensive scheme of improvements, including re-roofing, this is a most tasteful luxury home well worth internal viewing. On entering the property, double doors open into a light and spacious reception hall, offering cloaks storage and an airing cupboard. The large living room enjoys an attractive outlook to the front, elevated for privacy, centred around a feature fireplace housing an electric fire.

Positioned to the rear, the stylish and contemporary breakfast kitchen design, overlooks the garden and is fitted with a modern range of matching cupboards and granite worktops, complete with a breakfast bar. A range of integrated appliances includes an oven, ceramic hob, microwave, and a dishwasher. Bi-folding doors connect the kitchen into the delightful garden room, creating a superb sitting or breakfast area with patio doors opening directly onto the rear garden.

A separate utility room provides additional storage, with fitted cupboards, granite work surfaces, a sink unit, and space for laundry appliances. A side door and window offer access and views to the rear aspect.

The bungalow offers three bedrooms, (with the third currently used as a dining room), providing flexibility for lifestyle needs. The modern shower room includes a corner shower, WC, and hand basin set within a vanity unit.

OUTSIDE

The property is set back from the High Street behind a tarmac driveway and neatly lawned foregarden. Gated access to both sides of the property leads to a beautifully landscaped rear garden, which features a paved patio area, well-maintained lawn, and raised planted beds. A timber garden shed offers additional storage, all enclosed by a secure fenced boundary.
