ACCOMMODATION

The front door opens into a welcoming reception hall, beautifully laid with hand-made Spanish terracotta tiles that continue seamlessly throughout the entire ground floor. The hall offers excellent space for coats and boots complete with a built in cupboard. From here, two generously proportioned reception rooms provide versatile living. The open-plan lounge and dining area enjoys an elevated front facing aspect, capturing attractive valley views. This space also features a multi-fuel stove, creating a cosy focal point, while patio doors open onto the front patio, seamlessly connecting indoor and outdoor living. Adjoining this is a versatile sitting room, complete with bespoke fitted shelving and a multi-fuel stove, ideal as an additional living area, home office, or snug. The reception rooms are connected via the original entrance hall, where stairs rise to the first floor.

The breakfast kitchen is arranged with base cupboards topped with American chestnut work surfaces, a dual sink, dishwasher, and a Rangemaster double oven with induction hob. Windows provide views into the rear patio and there is a useful understairs storage cupboard. Leading off the kitchen is a spacious utility/boot room. This room benefits from windows offering attractive side and rear views onto the garden, along with a door providing direct access to the garden. This most useful room is equipped with a storage heater, Belfast sink, plumbing for a washing machine, and a built-in water softener and purifier supplying both the kitchen and first floor bathroom.

Completing the ground floor is a double bedroom with an adjoining shower room, which also serves as a guest cloakroom and is accessible from the hallway.

From the original hall, stairs rise to the first floor landing, which features exposed floorboards and doors leading to the three bedrooms and bathroom. The principal double bedroom enjoys far-reaching views across the Willey Estate and beyond, along with exposed floorboards, built-in wardrobes, and a discreet walk-in wardrobe. There are two further bedrooms, both well-proportioned and light filled, with exposed floorboards. The second bedroom has floor to ceiling bookshelves along one wall and the third bedroom having fitted cupboards and a small bookcase. The house bathroom is fitted with a freestanding bath, WC, wash hand basin and heated towel rail. It also benefits from a useful airing cupboard and elegant Amtico flooring.

OUTSIDE

Approached via Britons Lane, Wills Cottage occupies an elevated position within approximately five acres of beautifully maintained grounds. The property features extensive gardens, an orchard and fenced paddocks, along with a range of useful outbuildings including stables, barns and shelters, most of which benefit from connected water supplies, together with a shed and greenhouse. The expansive lawned gardens are beautifully planted with perennial flowers, shrubs and several specimen acer trees.

Nestled in the Linley Brook Valley and enjoying some of the areas finest views, Will's Cottage offers a peaceful and highly private setting within a friendly community. A tarmac driveway leads to the property, providing ample parking and access to a detached garage/workshop (currently in use as a potter's studio), which has electricity, water and a multi-fuel stove, as well as two storage heaters in the workshop.
