LOCATION

Ditton Priors is a small, picturesque rural village located to the south-west of the historic market town of Bridgnorth. Surrounded by rolling hills and scenic landscapes, the area is a haven for walkers, cyclists, and lovers of the outdoors, making it highly sought after for its natural beauty and community feel. The village itself has an excellent selection of local amenities including a primary school, church, post office, cafe, medical practice, convenience store and excellent butchers. There is also a petrol station, public house and a village hall/community centre.

ACCOMMODATION

The original cottage dates back some 300 years and has undergone previous extensions and works, although now requires some general updating. The property is entered via an entrance porch, providing practical cloak and boot storage with doors leading into the main accommodation. The characterful living room features an exposed brick fireplace with an open fire, complemented by an attractive beamed ceiling. A window and patio doors provide views over and direct access to the gardens. A separate dining room is accessed from both the living room and the entrance hall, offering an ideal space for formal dining with windows overlooking the side and rear gardens. The hall provides access to a guest WC. The breakfast kitchen enjoys views over both the front and rear gardens and is fitted with a range of base and wall mounted cupboards with work surfaces over, incorporating a sink unit, electric hob and built-in oven and grill. An attractive inglenook fireplace provides a focal point to the room and houses a solid fuel Rayburn (decommissioned),

From the hall, a staircase rises to the spacious first floor landing. The principal bedroom is a generous double room enjoying a dual aspect, together with an adjoining dressing room which offers plumbing for the installation of en-suite facilities. There are four further well proportioned bedrooms, served by the family bathroom, which is fitted with a WC, wash hand basin, panelled bath and separate shower enclosure.

OUTSIDE

Set well back from Hall Road, a long private driveway leads to the cottage, where there is ample parking and lawned gardens that wrap around the property. The gardens enjoy a high degree of privacy, beautifully screened by mature trees and offering a peaceful, secluded setting.

Within the grounds stands a detached outbuilding in a dilapidated condition, together with a further adjoining store room housing the oil fired central heating boiler. Paddocks adjoin the gardens, enhancing the property's rural appeal. Extending to just over 2 acres in total, the grounds offer an excellent balance of open space and privacy, while the village centre is conveniently located approximately 0.6 miles from the cottage.
